

# PHILOSOPHICAL ENQUIRY and Global Citizenship

*Would you like to...*

- improve speaking and listening in your classroom?
- increase students' enjoyment?
- engage disaffected students?
- challenge more able students?
- raise students' achievement ?

Training course in Preston  
October 16  
October 30

Using the **Community of Enquiry** methodology you can do all of these using only a circle of students and your skills as a facilitator...

Community of Enquiry is the distinctive method developed by Professor Matthew Lipmann in his **Philosophy for Children** programme, now used in over 60 countries with students of all ages. It can be used in most subject areas but this course will focus on Global Citizenship. **Teachers of all key stages and subjects will find the course useful.**

### ***What will you learn?***

- How to run a Community of Enquiry
- How Philosophical Enquiry can help you meet the Every Child Matters outcomes
- About the origins of Philosophy for Children (P4C)
- How to choose stimulus materials
- How to develop students' listening, thinking and questioning
- How to develop a caring, collaborative, critical and creative culture in your classroom
- Suggestions for using Philosophical Enquiry in all subject areas
- About the 8 key concepts of the Global Dimension

## *Who should come?*

Teachers

Teaching assistants

Learning mentors

Anyone interested in using innovative methodologies for raising pupil achievement

The course will be led by Ruth Davies who has several years experience running communities of enquiry in schools, and is also an experienced trainer. The course will be validated by SAPERE the national organisation promoting P4C in this country ([www.sapere.net](http://www.sapere.net)).
